HEAD PROTECTION

***DSI SAFETY INC. KNOWN AS DYNAMIC SAFETY INTERNATIONAL
IS A CANADIAN OWNED AND OPERATED COMPANY.***

Dynamic Safety International, well known for its Dynamic brand of products is a fast growing company due to its highly motivated, knowledgeable and experienced team of employees, combined with its offering of innovative and comfortable to wear safety products. With 7 lines of products of which 5 are completed up to 95% and 2 to be completed over the next year. Head Protection: The most complete and most diversified line of products worldwide. Eye & Face Protection: With a complete offering in spectacles of all kinds and unique specialties. Head Gear and Face Shields of all kinds, plus Welding Masks and others. Fall Protection: With one of the most elaborated and complete offering worldwide, we go from the most simple harness to the most complicated ones, we offer the largest selection of Lanyards and it goes on and on. First Aid Products: Again, the largest selection of product offering in Canada. Traffic Safety Products: Complete offering of Hi-Viz Traffic Safety Garments. Hearing Protection: On the way to be completed, from Disposable Plugs to a full line of Hearing Protectors (will be completed before the end of 2017). Respiratory Protection: From Disposable Masks to Half Masks, Full Face Masks and a complete line of Cartridges. Presently at NIOSH for approval, tooling in progress, will be introduced by the end of 2017 and beginning of 2018. Will be the only Canadian line of Respirators.

Dynamic products are proudly made to meet all safety regulations and/or standards required in North and South

America and in Europe. All of the Dynamic safety products are certified by a multitude of certification bodies when needed, such as CSA, ANSI, NIOSH and CE. We proudly apply their Logos when permitted. Thus proving you our dedication to protect you the best possible way and showing you our efforts to provide you with the highest quality products you can trust at all times.

Our team of Product Managers, the best in their field of experience, cumulate over 100 years of experience and expertise in their respective areas of knowledge. Whether it is for your needs in Head Protection, Eye & Face Protection, Hearing Protection, Respiratory Protection, Fall Protection, First Aid or Traffic Safety, we have skillful people that can help you in their field of experience. These people will be able to help you with training sessions, risk assessment surveys and can even help your safety committee to select the proper product for a specific situation.

Our Goals at Dynamic Safety International is to design, produce the best and safest safety products, and ensure that all your employees come home everyday safe and healthy.

Full Graphic Hard Hats

MAKE YOUR HARD HAT PART OF YOUR IMAGE!

If you want to let others know that you are proud to be Canadian, Quebecois, US citizen or want to hide with a camouflage hat or if you just want to show your true colors; It is possible and you do not have to buy extra quantities as we carry 5 models in stock for now (2 Canadian, 1 Carbon, 1 Quebec, 1 Camouflage). We will add more when we see market demand. We can also make personalized full graphic hard hats with your company colors and design in lots of 100 pieces minimum and at a reasonable cost. Let us know what you would like and we will do the artwork and let you approve it. If you are looking for something unique as a gift for your employees or to celebrate a 25th or a 50th year anniversary of the foundation of your company, these hats are the perfect solution.

Custom Printed Hard Hats

MAKE YOUR HARD HAT PART OF YOUR IMAGE!

All Dynamic Safety hard hats feature large printing surfaces for company logo's on front, sides & back. We can print up to 5 colors per location!

Also, we are offering reflective striping installation service. They can be printed as well which gave you more visibility and a brand image unequalled.
